

MEMORANDUM

TO: Commenters on DB Waste/Dakota Bluffs Inert Waste Landfill (Permit 0163)

FROM: Charles R. Hyatt, Director *CRH*
Division of Waste Management

SUBJECT: Permit Application Review

DATE: May 17, 2022

On May 17, 2022, the North Dakota Department of Environmental Quality (Department) issued a permit for an inert waste landfill to Dakota Bluffs, LLC. This permit was issued under the authority of North Dakota Century Code Chapter 23.1-08, Solid Waste Management, and North Dakota Administrative Code Article 33.1-20, Solid Waste Management and Land Protection.

Proof of sale was received by the Department on May 16, 2022. A copy of the signed permit is enclosed. A 30-day public comment period ending on December 29, 2021 was held for a draft version of this permit. Comments were received during the public comment period, a copy of the Department's response to comments, the public hearing transcript and the written comments are also posted on our website: <https://deq.nd.gov/wm/PublicNotices/default.aspx>.
